Get PPE & Cleaning Resources from the OHLA PPE Portal

As government restrictions and requirements are lifted as the pandemic enters a different phase, more responsibility will be placed on each industry and individual businesses to lead the way in providing and maintaining safe environments for employees, associates, guests and customers. Accessing the right resources and supplies will be more important than ever. Providing you the right options is part of our focus on safety and security.

OHLA has partnered with ID Clean Solutions (division of Innovative Displays), a leader in the manufacturing and distribution of personal protective equipment (PPE) and hygiene products throughout the United States and Canada. Products are sustainable, FDA approved, ADA compliant, and on the N list for use against SARS-CoV-2.

What Can We Get?

- Floor Decals
- Face Shields and Masks
- Sanitizer and Wipes
- Dispensers and Holders
